Vision

The 21st century has been an epoch where change has been the only constant of human life. The incessant spate of technological and ideological changes to which human life is regularly subjected necessitates a revision of our inherited notions pertaining to education. In a developing country like India, with its huge population, education can no longer be conceived in terms of enlightenment of the mind alone. It is therefore our vision to strive for the empowerment of society through education; to ensure that students irrespective of their existing inequities secure for themselves a level playing ground, which alone can ensure a society based on equality.

Mission

Localities adjoining the college are thoroughly cosmopolitan in so far as their demography is concerned. Apart from Bengali, Hindi, and Nepali that are predominantly spoken in these areas, students belonging to different tribal communities and ethnicities enroll themselves in the college in search of higher education. The mission of the college, therefore, is to merge these latent differences into a new unity and thereby enable students to discover their rightful place in the national continuum

Infrastructure

The College has had a modest beginning with a handful of students in the year 2000 and was initially housed in B.D.Memorial, a local school in Jaigaon. After a couple of months it was shifted to a facility of the Toorsa Tea Garden, where it functioned for a period of approximately five years. A five acre land was leased by the Jaigaon Development Authority and it was on the 5th of January 2005, that with a bare minimum infrastructure, the permanent college building was inaugurated at Ramgaon, Jaigaon. Over the years the college building was expanded into a two-storeyed premise through grants-in-aid received from different government sources. Being the only college under the Kalchini Block in the district of Alipurduar, the institution can boast of a sizeable roll strength that has only kept on augmenting with time. Presently however, the construction of a three- storeyed college building and a centralized library is in progress under the supervision of N.B.D.D. and the P.W.D. respectively.

From the Desk of Principal

Dr. Avijit Kumar De
Principal
N.B.S. Mahavidyalaya

I feel greatly proud to be currently associated with Nani Bhattacharya Smarak Mahavidyalaya which entered its Twenty fourth year traversing its path of spreading the education in rural and tribal area. The Government-aided Degree College also included and recognized under UGC 12(B) and 2(f) in the year of 2018.

On the auspicious occasion of the beginning of a new session, we pledge to provide all sorts of cooperation and support for the further development and smooth functioning of the college as well as maintenance of a peaceful ambience conducive to ideal teaching learning inside the campus. Holistic development of the individual is the goal of education and we all have to ensure that there is no stone left unturned to equip the student of today for the challenges of life.

I would like to convey my heartiest congratulations and profound sense of gratitude to all teaching staff, office staff and students of the college who have considerably contributed to the metamorphosis of the college into a centre in the arena of higher education

Before concluding I must convey my deep sense of gratitude to the initiative of the local enthusiastic people who were interested to spread education in the rural, tribal and adjacent to international border area.

I also wish the young learners all the best for achieving greater success and scaling new heights in their

General English as a subject was available right from the inception of the college in the year 2000. However it was not until 2007 that the college received permission from the University of North Bengal to teach English as a specialized honours Subject. Over the years, the dept. of English has always attracted the largest number of students in the entire college, despite the fact that it operates with the smallest number of teaching staff. Dr. Arijit Chakraborty the Associate prof. in English) is the H.O.D of English, serving since 2002. Apart from him Dr. Ratan Chandra Das is the only SACT (state aided college teacher) associated with the department.

Dr. Saroj Kumari Sharma
Mob: 9749746274

The Hindi department takes pride in inaugurating its program course in the year 2000, coinciding with the college's inception. And in view of the growing demand for Hindi subject, Honors studies in Hindi started in the year 2008. There are five faculty members in the department of Hindi who prepare the students with great hard work and dedication. Along with teaching in the class, other activities related to the subject are also conducted so that self-confidence can be developed among the students. Alongside the efforts of our teachers, it's the hard work of our students that has led countless students today to attain Ph.D. in the field of higher education. On the other hand, many are also employed in various government and non-government organizations.

The college is located at Jaigaon which is a picturesque small town in the Alipurdaur District, west Bengal, India which is considered a business hub of the Doors region. The department of History started its educational stride in the year 2000, since the inception of the institute the department has facilitated its mission to educate the otherwise economically backward students and to enrich the heterogeneous society with the abundant flow of knowledge and education. The department is composed of two substantive teachers and two State Aided College Teacher. Teaching-Learning process in the department is focused on the different aspects of ancient, medieval, and modern Indian history of India. The Department also provides Field studies as a part of the curriculum which enables the learners to explore practical knowledge outside classroom centric direct teaching-learning method. The aim of this trip is to observe the subject in its natural state and possibly collect samples. Lastly but not the least, the main motto of our department is to teach tolerance, develop right attitudes, foster national feelings, and promote international understanding.

Mob:8420466145,
idofofmamoni@gmail.com

Description of the Department: The department of Philosophy has been in existence since the inception of the college but the Honours is duly introduced in the year 2008. Since its existence the department can serve the student of Rural Areas by imparting and disseminating the knowledge of classical as well as modern Indian philosophers for the integral development of their personalities rooted in Indian culture and civilization. The department has two full time substantive faculty members and One faculty member belonging to the category of SACT -I. The members of the Department aspire Value-Education; the highest professional and academic standards in personal development and satisfaction offered to our students and staff. We are committed to promoting excellence in teaching and research, teamwork based on respect, trust and integrity, and innovation to promote human values for all. We also emphasize the necessity of systematic, critical, logical, ethical and rational inter-faith among students and teachers.

Philosophy is an activity of critical inquiry and a comprehensive process of thought. It involves testing and evaluating positions, uncovering assumptions and examining philosophical systems. Philosophy, being a rational inquiry, sharpens our thinking, enriches our understanding and expands our intellectual horizons. To acquaint students with such a philosophical understanding the department of Philosophy offers teaching and covering various fields of philosophy e.g. Classical Indian and Western Philosophy, Continental Philosophy, Philosophy of Mind, Philosophy of Religion, Yoga and Health, Critical Thinking, Basic Concepts of Counseling, Psychology, Logic, Philosophical Reasoning, Ethics, Applied Ethics, Feminist Philosophy, Analytic Philosophy, Phenomenology and Existentialism, Socio-Political Philosophy and Saints Philosophy, among others. The department is committed to provide such an enabling environment wherein young minds can get good exposure of different areas of Philosophy and can learn methods of philosophical inquiry and sustainable development of society, country and better future for humanity.

Academic Activities

Seminar/Workshop/Symposium/Special Lecture

An institute of higher education cannot confine itself within the periphery of class room teaching-learning process. Beyond class room teaching a higher education has to extend the teaching-learning and grooming process with other academic activities like seminars, workshops etc. We teachers are associated with the development of the future generation. A healthy mind is necessary for a healthy society. This is possible only through discipline and healthy knowledge sharing. Seminar has an important place in the education world. Seminar is organized for the expansion of knowledge through its sharing, dissemination and assimilation. The students as well as the teachers get enriched from the widest corners of knowledge under one roof only through seminars. Organising seminars at various levels like departmental seminars, state level seminars to national and international seminars is therefore the goal of every educational institution. We feel proud that we're not lagging behind in this respect. Our college has organized departmental, state level, national and international level seminars from time to time. The list is as follows:

- Departmental seminar 29th November 2010 YashpalkinariChetnaurDivya, Department of Hindi, NBS Mahavidyalaya
- National seminar 28 and 29th March 2011 Rabindranath and Hindi literature organised by Department of Hindi and Bengali, NBS Mahavidyalaya
- National seminar - 20th and 21st February 2012, Tulsidasaurbhanubhakt: samajikaursanskritikparidrishya organised by Department of Hindi, NBS Mahavidyalaya and sponsored by West Bengal higher education Department
- International seminar- 10th and 11th September 2014, samaj, Darshanaursahitya (society philosophy and literature) organised by Department of Bengali ,Hindi and philosophy NBS Mahavidyalaya
- International seminar- 23rd and 24th December 2014 Indo Bhutan relation through the centuries organised by department of History and political science, NBS Mahavidyalaya
- State level seminar - 28th September 2016, Premchandaursaradchandrakayugbodh, NBS Mahavidyalaya
- International seminar- 27-28th August 2018 , KanyashreePrakalp A narrative of empowerment, **organised by NBS Mahavidyalaya and sponsored by Department of higher education, science and technology and biotechnology, government of West Bengal**

And in the years to come, the organization of such kind of seminars by all departments of the college will definitely increase.

Apart from seminars the college has organised special lectures, study tour, field survey, mock parliament and much other programs time to time for the better teaching, learning and first hand experiences.

Games & Sports Activities

This college believes in over round development of every student, so spiritual attention is paid to co-curricular activities and Sports. Since then it has stand both in the field of education and sports as one of the important college of hill area. Here everyone believes that Sports is a significant part of college life. Over the years, college sports teams have built up a name of its own in the local sports scene. The college play ground is built behind the new building. The students of this college play cricket very well. Every year the cricket team of the College participates in local cricket competition which is known as Jaigaon Premier League (JPL)? Moreover, various competitions games organized from this college every year. Game and sports are a compulsory part of the education process. There are various types of fun indoor games, and play areas where they enjoy outdoor game too. Coaches are there train teachers. Indoor and outdoor games like Athletics, Basketball, Football, Cricket, Volleyball, Badminton, Chess, Table tennis, Martial Arts, Karate etc. Special talks and motivation by renowned sports personalities are arranged frequently. The students received training in Cricket from professionals. It have own several trophies and awards in tournaments across the state. A part from this, Football is an excellent life skill for growing pupil to learn. Students are encouraged to participate and represent the college in various district, state and national level tournaments. In fact, the college ground at the foot of the Bhutanes Mountains make it an attractive place.

Cultural Activities

Cultural programmes are an integral part of the college. Coming from the set of a school the college provides an ambience of different kind to the students. Here, we celebrate Republic Day, Independence Day, Freshers' Welcome, Premchand Divas, BhanubhaktaJayanti, RabindraJayanti, Hindi Divas, Saraswati Puja etc. Along with these programmes the college also takes initiative to organize Excursion time to time for the students which creates a bonding between the college, teachers and the students. As a whole the college tries to provide a family feeling and a sense of togetherness keeping in mind the cosmopolitan nature of the society surrounded by the college.

Social Activities

National Service Scheme (NSS)

After independence the University Grants Commission, headed by S.Radhakrishnan, recommended the introduction of voluntary national service in academic institutions. This idea was again considered by the Central Advisory Board of Education (CABE) in its meeting on January, 1950; after examining the idea and the experiences of other countries in this field, the board recommended that students and teachers should devote time to voluntary manual work.

The unit of the NSS was introduced for the first time here in the Nani Bhattacharya Smarak Mahavidyalaya in 2017. The great initiative was executed by the honourable Principal Dr Birendra Mridha and Sri Ranjit Das, former Asst. Professor of the college. Since then it became a part of the curricula and academic system of the college. The major objective ever since has been to involve the students in the society of which they are an integral part. The entire programme of the NSS revolves around the students wherein the NSS volunteers put the students in a single thread in order to implement the NSS objectives. The NSS is a challenging medium for functioning amongst the downtrodden section of the society. The college and its NSS Unit are dedicated to the people of the society where the majority of the population belongs to SC, ST and minority communities. To reach this distressed and deprived section of the population at the foothills of Himalaya and to work for them, the NSS can be a major weapon to curb their destitution.

Since the dawn of the establishment of the NSS Unit in the college, Sri Ranjit Das performed his all duties for the noble mission as a Programme Officer. Now, Dr. Binay Kumar Patel, as a successor of Sri Ranjit Das, has taken over the executive responsibilities of the NSS Unit. Till now, the NSS Unit of the

college has undertaken several noble programmes like Blood Donation Camp, Swachha Bharat Abhiyaan, Tree Plantation Programme, Garbage cleaning mission, Awareness Programme on women Empowerment etc.

Facilities
IGNOU & NSOU

The geographical specificities of Jaigaon and its adjoining areas are such that the students after completing their graduation cannot peruse their Masters degree from recognised state universities. This is not only because of the college's marginalised location but also due to economic constrains of diverse kinds. Under such circumstances it was only logical that the college would strive to provide graduate students with an alternative form of higher education through the IGNOU and NSOU curriculum. In a country like India where qualified students far outnumber the universities, these forms of alternative education mechanism are proving to be highly effective.

Student Union Room

Students are the pivot around which the institution of education revolves. While at the school level, they are predominantly perceived as inactive recipients, higher education envisages the active participation of students in the overall functioning of colleges. The student community therefore becomes a party in the overall administrative functioning of the college and their representation is ensured by means of the student union which is normally constituted through a full-fledged electoral process. The Union room therefore is nothing less than the central symbol of their participation.

Student Canteen

A student canteen is in our future plan. The college administration is just waiting for the completion of the new building. Once it will complete, the process to set up a canteen will be initiated.

Alumni Association

The official process in relation to set up an alumni association is already taken but due to pandemic situation there is a delay. The students will get an alumni association soon.
