Object of the Program

Department of Political Science is going to organize a Seminar on International Relations on 21th February, 2018 in Seminar Hall at 11:00 AM.

Objectives the general objective of this course is to develop the student's capacity to critically examine theoretical propositions about international relations, consider the applicability of IR theory to real problems in contemporary world affairs, and communicate this analysis to others.

This is to be accomplished by exposing students to a body of literature that has helped to shape the contemporary discipline of international Relations, including both positive and normative theory, as well as, alternative approaches to research.
